授業概要	This class will approach the English study from many different directions. Students will practice simple greetings and conversation in random pairs. Students will practice and present short presentations briefly during class. Real world listening/dictation practice will be included. Most classes will include a game/activity to reinforce the lesson or help foster conversation. Supplementary topics may include: current events, music/art, celebrity profiles, and other cultural references. TEXT: English Firsthand I (Pearson/Longman)				
到達目標	The goal of this course is to increase the vocabulary, fluency, and confidence of each student by keeping them accountable to practice it regularly.
